# Sonic Team - Rumbling Highway

Tom: A                                                         first, don't overlook it!")

    (legend)
s=slide
V=vibrato
h=hammer-on
p=pull-off
b =bend up whole or half (you'll know what sounds right)
bv=bend down to original position (after bending up)
=strum ( I was running out of symbols and the strumming takes
place in a strange place.)

(tips: "Remember that a capital V on its own is vibrato, for
all bends I put a b before
the up or down arrow. Also, listen to the song (youtube-        (intro bit)
Mission Street theme) it'll
help you get the timing just right.Last thing, the tabs may
look repetitive when it
comes to the second part but its slightly different that the   (it reapeats once more)
