

## **Sonic Team - Super Sonic Racing**

```
Everybody's Super Sonic Racing
(forma dos acordes no tom de G )
                                                             G Gbm B
                                                         Come on let the fires burn
Capostraste na 1ª casa
                                                         [Segunda Parte]
[Primeira Parte]
                                                            Don't you know
Come on run away
                                                            That we really have to go
                                                         Ab7M Bb7M
You don't have to stay
                                                            To a place
We're nearly out of time
                                                            Where you can feel my heart
       Am
But you're doing fine
                                                         Just race
So stay on track
                                                         [Solo]
And don't look back
  A Fm
Just feel the pace
                                                         [Refrão]
     G
Come on now race!
                                                                   Ab Gm F
                                                         Everybody's Super Sonic Racing
[Refrão]
                                                                  Ab Gm
                                                         Try to keep your feet right on the
