

Sonic Youth - Bee Bees Song

BEE-BEE'S SONG

From the Suburbia soundtrack.

Bass tab by Chris Lawrence.

Not sure if this is the right octave, sorry. I tabbed it in Drop-D to get the Eb's, but like I said, this may be in the wrong octave (parts of it, at least).

filler	verse
G-----	G-----
---	---
D-----	D-----
---	---
A-----1--3-----1--3-----1--3-----	A-----
---	---
D---3---3-----3--3-----3--3-----1--1---6-8--3-	D-----
-3--	D-----

"...guitar":

G-----	
D-----	
A-----	--3---3---3-4-4--3---3---3-4-4-- etc.

D---6-8-- -----

the best part:

G-----6-----
D-----6--8--8-6-8-----4---6-----
A---8--8-6-8-----6--6-4-6-----7--
D-----

(is it just me or does that part sound like a Folk Implosion song?)

Somewhere in the middle there's a little part where the bass plays these notes (don't know how many times each note is played, though):

G-----
D---3---6-5--
A-----
D-----

That's pretty much the whole of the song. If there's any troubles, let me know.
