Sonic Youth - Death To Our Friends

Tom: E		then later (over fig 1) he plays:
From: (RAIN KIN <mark>G</mark>)		
tuning low to high: F#F#GGAA		here's some more tid bits from EVOL
rep	eat each pair	Marylin Moore tuning F#F#GGA <mark>A</mark>
-2====================================	 - - -	<pre>lee arpegiates 555555 then thurston uses a slide of some sort from (circa) the 12 fret to the 16th. mostly on the bottom two, but he lets the others bleed in sympathetically. make sure the slide is slanted on the strings so they are all out of tune with each other to get that oscillating effect. the other guitar plays (doubled by the bass) In The Kingdom #19 tuning F#F#GGAA this one i'm not too sure about, but here's the end repeat Bubblegum tuning F#F#GGAA</pre>
- 0======= - 	·	Kim's neverending saga of wanna-be songs. strum end riff i love you, too.
-0=====================================	10-10-333-1-	Sam Rowe

after the noise break when they repeat fig 1, guitar two plays:
