

Sonic Youth - Druken Butterfly

Tom: **G**

Tuning: F#F#GGAA

This tab may sound shit when you play it yourself but add bass, another guitar, drums and vocals and it will sound perfect. Intro: The intro is just a heap of string noise (mutes, rakes and pick slides). I got the right sound by sliding the pick up and down the strings furiously...rest your fret hand on top of the strings to prevent the strings from ringing.
