Sonic Youth - Or

Tom: F Which he then sometimes follows with this: Source: http:// Tabbed by Jason Pratt Around 1:35 he starts playing some high skronky Tuning: D#D#A#D#GG chord...something along the Lee plays an acoustic guitar in the above tuning for this lines of: song. Again, most of his part is subtle noise...he gently bangs on the body of the At 1:57 he goes back to banging on the guitar again guitar and lets the strings resonate. He pretty much does the

the recording, although it sounds like the occasionally hits the open strings too

The one real riff in the song is:

Acordes

same thing on
