

Sons Of Sunday - Higher Than I

tom:
 D (forma dos acordes no tom de C)
 Capostraste na 2ª casa

When my heart is overwhelmed

When I barely trust myself

Lead me to the Rock

Higher than I

When the night is closing in

To remind me of my sin

Lead me to the Rock

Higher than I

Lead me to the Rock

Higher than I

Higher than I

Higher than I

Higher than I

Higher than I

So much stronger

So much greater

So much wiser

So much higher

Higher than I

Higher than I

When the doubt is rising up

When it comes in like a flood

Lead me to the Rock

Higher than I

Yeah, lead me to the Rock

Higher than I

Higher than I

Higher than I

Higher than I

Higher than I

So much stronger

So much greater

So much wiser

Higher than I

Acordes

So much higher

Higher than I

Higher than I

Where else would I go?

Who else would I run to?

Where else would I go?

Who else would I run to?

Where else would I go?

Who else would I run to?

Where else would I go?

Who else would I run to?

Whoa-oh-oh, whoa-oh (mm)

Whoa-oh-oh, whoa-oh

Lead me to the Rock (oh-oh)

Higher than I (eh)

Higher than I

Higher than I

Higher than I

Higher than I

Higher than I

So much stronger

So much greater

So much wiser

So much higher

So much stronger

So much greater

So much wiser

So much higher

So much stronger

So much greater

So much wiser

So much higher

Higher than I

Higher than I

Higher than I

Higher than I

Higher than I
