

# Sons Of The East - Fool Me

tom:  
Capostrate na 1ª casa  
Intro: Am G C Dm C G

[primeira Parte]

You stole me, baby yeah, you stole me  
You picked me up like a toy and hid me under your arms  
Holy, I feel so damn holy  
I hurt my neck from looking too long at the sky

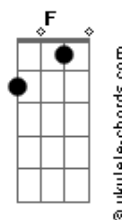

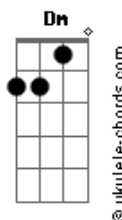

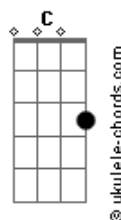

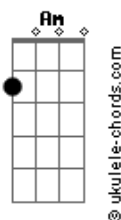

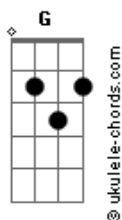

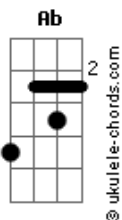

[Refrão]

Well, I thought about you all last night  
I wonder if you're really alright, or feeling the squeeze  
You can hide the trouble in your eyes  
Or try to wear another disguise, but you can't fool me

[Segunda Parte]

Oh lowly, I'm humble and lowly  
Did you think you were really calling the shots?  
Slowly, oh, take me down slowly  
I never knew I was holding gold in my hands

## Acordes

[Refrão]

Well, I thought about you all last night  
I wonder if you're really alright, or feeling the squeeze  
You can hide the trouble in your eyes  
Or try to wear another disguise, but you can't fool me

( F C F C G )

[Ponte]

Now the open door seems to close  
You're still holding on, you can't let go  
Oh no

[Refrão]

Well, I thought about you all last night  
I wonder if you're really alright, or feeling the squeeze  
You can hide the trouble in your head  
As you slowly crawl back into bed, but you can't fool me
