

Sons Of The East - Into The Sun

tom:
Capostrate na 4ª casa

[Primeira Parte]

Am C
Stealing glances at the pavement
Gadd9 Dadd9
Well, the weight it comes too soon
Am C
Supposed to keep on rolling
Gadd9 Dadd9
But the race is nothing new

Am
As the train, it starts to go
C
And it takes our bodies slow
Gadd9
And I know you wanted
Dadd9
to for some time now

Am
All this time you're gone
C
In your wake I stumble on
Gadd9
But the smoke is nothing
Dadd9
that I haven't seen

[Refrão]

C Em Dadd9
So I walk into the sun
Gadd9 C
I thought you'd be there
Em Dadd9
But you could fool anyone

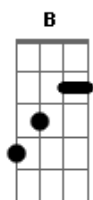

C Em Dadd9
Got a head full of dust
Gadd9 C
Will I see you soon
Em Dadd9
Or did we move on?

Dadd9
Mmm
Am C
Ooooooh
Gadd9 Dadd9
Ooooooh

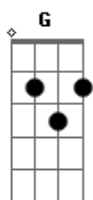

[Segunda Parte]

Am C
The crowd begins to break up
Gadd9 Dadd9
They're calling their goodbyes
