

Sophie Thatcher - Black And Blue

tom:

Intro: C F C F

[Primeira Parte]

Go back into a holy state

And all the fire is gone

The layers you shed will all be renewed

Praises are drawn

And you sing

All will be gone

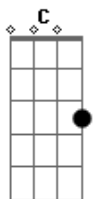

[Refrão]

I don't taste the shame

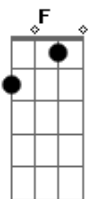

No

I don't taste the shame

The ruckus

She's folding over

The patter on, on, on

I'll leave them all

I'll be done, done, done

[Segunda Parte]

I'm back into a holy state

Where none has been won

The prayers I make and chores to take through

Cried out; renewed

His teeth were all black and blue

[Final]

Hmm, Hmm
