

# Sorority Noise - Blonde Hair, Black Lungs

tom: G

When you told me you were leaving F C

Well I couldn't feel my mouth Dm Bb

Because all I'll ever be is someone else F C

As you walked away Dm Bb

I felt something in me change F C Dm Bb

My heart froze over, all emotion dripped away

[Refrão]

So I drove home F C

At a hundred miles an hour Dm Bb

Just to see what it feels like to fly F C Dm Bb

I crashed my car F C

Into someone else's backyard Dm Bb

Just to see what it feels like to die F C Dm Bb

When you told me that you missed me F C

Well i couldn't close my eyes Dm Bb

Because I realized what it felt like to die F C Dm Bb

'Cause all you'll ever be F C

Is a nightmare and a wet dream Dm Bb

A reason to smile from six feet under ground F C Dm Bb

[Refrão]

So I drove home F C

At a hundred miles an hour Dm Bb

Just to see what it feels like to fly F C Dm Bb

I crashed my car F C

Into someone else's backyard Dm Bb

Just to see what it feels like to die F C Dm Bb

So bathe me in pale flesh F C Gm

Promise that I'll never be good again F C Dm Bb

And I hope you miss me when I'm gone F C Dm Bb

Because I can't hold on for too long F C Dm Bb

And I'm so scared of dying alone F C Dm Bb

That I'll kill myself right here, right now F C Dm Bb

And I'll die, and I'll die, and I'll die F C Dm Bb
