Dm C G G

Dm Am C G
When eight turns sideways
Dm C G
You head on down the highway
Dm Am C G
Say this is my way,

disappearing forever

Dm Am C G
 But there ain't just one way
 Dm C G
 So you choose the fun way
 Dm Am C G
 Slide down the runaway
 Am G
 On a ticket that goes two ways

Chorus

C Bb
 And by the way that it sounded
C G
 You thought that you'd be astounded
C D
 But you left it like you found it
C G (intro)

Cause it wasn't yours to take

Dm Am C G
What once seemed like dyin'
Dm C G
Soon turned into flyin'
Dm Am C G
So you settle for tryin'
Am G
And you wish you were grounded

Chorus

C Bb
No you cannot get much higher
C G
Than your utmost desire
C D
So you bring it down to size it
C G
