**Bm** **A**  
Tempted, all is vacant  
**G**  
I've been down before  
**Em**  
I need replacement  
**Bm** **A**  
Who knows just where the end is  
**G** **Em**  
Who cares what you're defending **Bm A G Em**

**Bm** **A**  
I can't see  
**G** **Em**  
What you want from me  
**Bm** **A**  
I can't be, no  
**G** **Em**  
What you want me to be  
**G** **Bm A G Em**  
Angel...

**Bm** **A**  
Descending, she's never faking  
**G**  
You can see her eyes  
**Em**  
There's no mistaking  
**Bm** **A**  
She knows where the end is  
**G** **Em**

She says, just stop pretending  
**Bm** **A**  
I can't see  
**G** **Em**  
What you want from me  
**Bm** **A**  
I can't be, no  
**G** **Em**  
What you want me to be, no  
**G** **Bm**  
Angel of mine  
**G** **Bm A G Em**  
Angel...

But she said  
**Bm**  
I'm not bothered  
**A**  
And you're the same  
**G**  
Well I'm done with love  
**Em** **Bm A G Em**  
And you're to blame

**Bm**  
Sit down  
**A**  
Why don't you listen  
**G**  
Have an open heart  
**Em** **Bm A G Em**  
Hold your position  
  
Hold! Hold!
