

SoulsPELL - Adrift

tom:
G

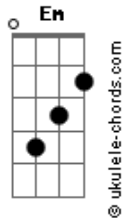

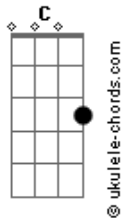

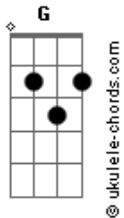

Something is different
G C
But I didn't know
G C
I haven't felt this way
G C
Since a long time ago

G C
My heart stood still
G C
And I wasn't prepared
G C
I should case this thrill
G C
Feelings can be unfair

G C
Eternally adrift
Em C
Life plays tricks on us
G C
Weak and always lost
Em C
But the way your river flows
G C
You'll never know

(G C)

Acordes

G C G C
I was sure at our one and only glance
G C
Our souls are so close
G C
But my hope makes no sense

G C G C
Irony has given me a cruel fate to bear
G C
Somehow deep inside I know
G C
In the end you will be there

G C
Eternally adrift

We're adrift

Em C
Life plays tricks on us

G C
Weak and always lost
Em C
But the way your river flows

G C
You'll never know

G C
Eternally adrift

You'll never know
