

Sound Bullet - Are We In Oz?

tom:

Intro: Cm Gm G Bb Eb Dm

Days passed by since the last time I heard a thing or two from you

But your smile still brightened up my room

I promise I'll get back to you in the morning

When I set my thoughts straight

The wind is bringing your voice

There's no shelter for this dreaming again

I found you smiling on the other end of mirrors, pulling me

Hand to hand we're falling up and down, falling up and down

I found you smiling on the other end of mirrors pulling me

Hand to Hand we're falling up and down

There's no place like the home I'd rather be

Halfway through the roads of Oz or back in Kansas

I'll be wondering what is real?

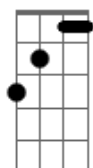

Descending into happiness I believe

I've been living in a twisted fantasy

Where the seattle supersonics are back
