And I'm running out of time

Ab Bbm Cm Db

Shapes unfold showing me the way

Fm Bbm Cm Db

our story happens before my very eyes

Fm Bbm Cm Db

You should know I never meant to be alone

Fm Db

And I'm already there

Fm Gm Bb Cm Ab

If I make the right move I'll be by your side,
 But if I'm mistaken I'll be out of time

It's like gravity and time
 Have embraced me all my life

I can see the dust moving through my hands
 And I'm already there

Should've known better
 You and I won't make it in time
