AN UNKIND  
SOUNDGARDEN

>From "Down On The Upside"

The only real difficulty with this song is to keep up the speed during the whole song. it's actually pretty hard to keep it up without getting tired... But besides that, the song is very simple. Listen to the song several times to get it right.

It's in standard tuning.

Riff 1:

Play this once for the intro and then six times during the verse.  
During the verse, it's doubled by a second guitar.

Then right before the chorus, there's this:

Doubled by this:

**Chorus:**

# Acordes

Verse 2:  
Riff 1, X6

Chorus:  
Same as the first.

then play riff 1, X4 and that sort of pre chorus, and the chorus again.

Outro:

## LYRICS

We see the vipers of distance  
Crawl into our lives everyday  
Breeding our Edens of hatred  
Pathetically stupid and unkind  
We couldn't look a saint in the eyes

On the storm  
It's time to go  
On the storm  
It's time to go

Marching in lines of contradiction  
 Forgetting the history we make  
 Loving our hangmen as the penultimate joke  
 We lack the Moses  
 To look a saint in the eyes

(Chorus)  
(Chorus)

Well,that's what i know for this song...  
Have fun, Did you know that milk was healthy ?
