

Soundgarden - Black Hole Sun

Tom: **G**
Intro:

Verso:

A **C**
In my eyes, indisposed
G **F** **Bbm**
In disguise as no one knows
F **E**
Hides the face, lies the snake
A **G** **Bb**
The sun in my disgrace
A **C**
Boiling heat, summer stench
G **Bbm**
'Neath the black the sky looks dead
F **E**
Call my name through the cream
A **G** **Bb**
And I'll hear you scream again

Refrão:

F
Black hole sun
E
Won't you come
A **G** **Bb**
And wash away the rain
F
Black hole sun
E
Won't you come

Bb **E**
Won't you come
A **C**
Stuttering, cold and damp
G **Bbm**
Steal the warm wind tired friend
F **E**
Times are gone for honest men
A **G** **Bb**
And sometimes far too long for snakes
A **C**
In my shoes, a walking sleep
G **Bbm**
And my youth I pray to keep
F **E**
Heaven send Hell away
A **G** **Bb**
No one sings like you anymore

Refrão:

F
Black hole sun
E
Won't you come
A **G** **Bb**
And wash away the rain
F
Black hole sun
E
Won't you come
Bb
Won't you come **E**
