

Soundgarden - Black Rain

Tom: **D**

(intro)

(verso)

love, could I try

me For your wings unless I fall to cover

light Sleepless eyes, close the
And rest your mind

while you burn

(solo)

If I could hug my
could I try

For your wings to cover
and let them fold

Half alive I heard
brilliant lie

Sleepless eyes, close the
And rest your mind

while you burn

(pré-refrão)

Can't stutter when you're talking with your eyes

By cutting out your tongue you save face
Feeding on the blood that's running from a black day

day

(refrão)

Cry on, Black Rain. Cry on, Black Rain.

(outro)

Can't stutter when you're talking with your eyes

Cry on, Cry on, Black Rain. Black Rain. Cry on, Black Rain. Cry on, Cry on.
