Versos:

Em **C**
What if all you understand,
G **A**
Could fit into the center of our hand,

Then you found it wasn't you,
G **A**
Who held the sum of everything you knew,
C **G** **F Em D**
We're insane but not alone, you hold on, and their gone

Refrão 1:

Verso 2:
Em **C**

What if the one thing that I missed,
G **A**
Was everything I need to pass the test,

And if I fail what happens then,
G **A**
Can I still count on you as a friend,
C **G** **F Em D**
We're insane but not alone, you hold on, and their gone
