LETRA:

Power Trip  
 (Cornell/Yamamoto)

I want to be  
 A cowboy star upon the screen  
 Oh hey and I want to drive  
 My cowboy car across the scene  
 Oh hey and I want to write  
 The magazines housewives read  
 And I want to be  
 In control of everything  
 I want to be King

I want to make the toys  
 You buy for Christmas Eve  
 Yeah and I want to be  
 The father of the ethnic child  
 Who stars on T.V.  
 Oh yeah and I, I want to write  
 The magazines that housewives read  
 Oh hey and I want all the leaders  
 Of the Third World  
 To answer to me  
 I want to be King  
 I want to be King  
 So maybe now the Pope  
 Will bow and kiss my ring  
 I wanna be king
