

Sounds Under Radio - All You Wanted

tom:
D_b (forma dos acordes no tom de **D**)
 Afinação: **E_b A_b D_b G_b B_b E_b**

Intro: **D G**

D G
 I am the fold, in the wake
D G
 Watch me push her back and break
D G
 I lose all my friends, and wash away
D G
 All the fractures I've displayed

Em7 G
 But we still, hold on

Cause it was

D
 All you wanted

G

And all I needed

D G

But all I gave up, now

D

Could you hold me tighter

G

When worlds collide

D G

Just hold me down right now

D G

All these lines, in the air

D G

I dont know if anyone would care

D G

Im losing my friends, in the wave

D

Of all these fragments I cant fake

But we still, hold on

Cause it was

D

All you wanted

G

And all I needed

D G

But all I gave up, now

D

Could you hold me tighter

G

When worlds collide

D G

Just hold me down right now

Em

Pull me in

G

Drown my fear

D A A7

Could you wait another day

Em

Knowing that I'll come back

G D A A7

I'll come back no fear

Em

Cause it was

D

All you wanted

G

And all I needed

D G

But all I gave up, now

D

Could you hold me tighter

G

When worlds collide

D G

Just hold me down right now

Em7 G
