

Soweto - Boa Sorte

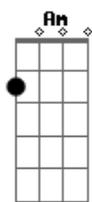

tom: E

Mais um dia sem te ver, madrugada sem você
 Outra noite sem dormir
 Eu não tenho motivos pra sair
 A saudade me contou que você vai demorar
 Deu vontade de chorar, passo o dia pensando em ter

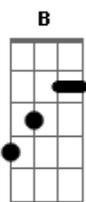

Você aqui pra nossa intimidade
 Pertinho de mim é só felicidade

Amor quando você chegou, veio me trazer boa sorte
 Tudo se modificou, veio me trazer boa sorte
 Foi tudo que pedi à Deus, não consigo imaginar
 Parece que eu vivo à sonhar
 Sou feliz por te encontrar
