

# Soweto - Pecado Original

tom:

Intro: G Am F7M  
Em G7 C7M

Eu quero você pra mim  
C#7M C7M

Não me canso de dizer

Preciso de alguém assim como é você

Desejo esse amor

Preciso de paz

Eu quero sorrir muito mais, muito mais

Teu jeito me enfeitiçou

C#7M C7M

De uma forma natural

E agora eu já não sou

Nem do bem, nem do mal

Eu sou seu refém

Sentença final

Mas você é meu pecado original

Meu coração tá mais feliz

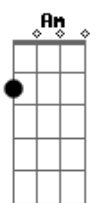

Depois que te encontrou

E a emoção chegou pra mim em forma de amor

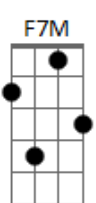

Vou me entregar

Você me conquistou
