

Soweto - Pura Solidão

tom:

E

Pode ser que o amor
 Venha se perder
 Nesse mar de dor
 E essa paixão vai calar nossa voz

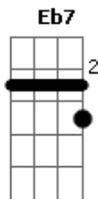

E ilumine um pouco do meu interior
 Pra que eu talvez de longe possa perceber
 E ver que ainda resta a chance no amor
 Talvez um doce gosto no prazer

To precisando entender

Porque o nossos beijos
 Não encontram carinhos
 Porque nossa paixão
 Vive só de sorrisos
 Porque o nosso mundo
 Hoje já tão vazio
 É pura solidão

Pode ser que o sol
 Venha então brilhar
 E ao escurecer
 Essa luz se vá para dentro de nós
