Tom: D

D7 **E7** **Bm** **E7**
 Nosso amor, ora és flor
A7 **A** **A7** **A7**
 Rude ao vento dos areas
D7 **E7** **Bm** **E7**
 Ora és flor a vagar,
A7 **A** **A7** **A7**
 num mar de sonhos reais

D7 **G7** **Gbm**
 Nem sempre o amanhã,
Ebm **D7** **G7** **A7** **A**
 vem nos braços do sol

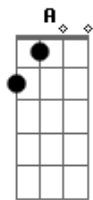

Em **A7**
 Nossos medos e receios,
D7 **Db7** **Gbm** **Gbm**

se resumem em paz, se saciar o mel,
Db7 **Gbm** **Gbm**
 temos muito mais, se refletir no azul do céu
Bm **E7**
 quando fazemos amor

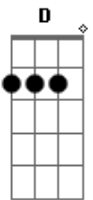

A7 **A** **Bm** **Dbm**
 Jura, o desejo e a mistura, o suor e a formosura
E7 **A7**
 Numa límpida mistura de amor

D7 **A7**
 O sonho vem pra boca e soa natural
D7 **A7**
 Fortalece o anseio de brigarmos até o final
Abm/11 **Db7** **Gbm** **Gbm** **Em** **A7**
 Sentimos que então valeu
Gbm **Dbm** **E7** **A**
 Valeu, valeu, valeu, valeu, valeu, valeu.....
