

# Spencer Hatcher - The Way She Lies

tom:

Ab (forma dos acordes no tom de G )

Capostrate na 1ª casa

Intro: G C7M G C7M

[Primeira Parte]

When I ask her where she's been  
She takes my hand  
When I tell her that we're over  
She kisses me over and over again  
Her perfume is like smoke in the room  
I can't tell wrong from right

[Refrão]

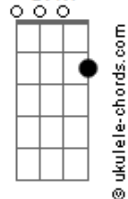

I love the way she lies  
Lying here in my arms  
Looking me in the eyes  
Every touch every kiss  
Every whisper on her lips  
I fall for it every time  
She does it so well  
Sometimes I can't tell  
I almost believe she's mine  
I hate knowing the truth  
But I love the way she lies

[Segunda Parte]

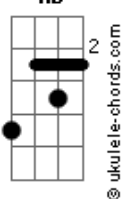

When I tell her I know who's calling  
She really lays it on  
She makes love to me so right  
I can't help but play along  
She twists every word  
But one more night with her
