

Spencer Lee - Still I Fly

tom:

Intro: C F C F

[Verse 1]

There's a time in your life
When the world is on your side
You might not feel it
You might not see it
But it surrounds you like a light
Makes you stronger for the fight

[Refrão]

Never let it go gotta learn to grow
Watch as i touch the sky
Still i fly
Now i know what i gonna do
Find the dream is new
Give it all i got this time
Still i fly
Still i fly

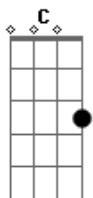

[Verse 2]

Feel the wind all around
All the courag to be found
Who know what's out there
But i know I'll get there
All of into the sun
I know i'm not the only one that's

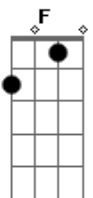

[Refrão]

Never let it go gotta learn to grow
