No, no, no, no

No, no, no, no
A B
No, no, no, no

Now listen little child, there will come a day
When you will be able, able to say
Never mind the pain, or the aggravation
You know there's a better way for you and me to be

Look for the rainbow in every storm
Fly like an angel, heaven sent to me

Goodbye my friend
(I know you're gone, you said you're gone but I can still feel you here)

It's not the end
(Gotta keep it strong, before the pain turns into fear)

So glad we made it
Time will never change it, no, no, no
No, no, no, no

Just a little girl, big imagination
Never letting no one take it away
Went into the world (Into the world) what a revelation
She found there's a better way, for you and me to be

Look for the rainbow in every storm
Find out for certain loves gonna be there for you
You'll always be someone's baby

Goodbye my friend
(I know you're gone, you said you're gone but I can still feel you here)

It's not the end
(Gotta keep it strong, before the pain turns into fear)

So glad we made it
Time will never change it, no, no, no
No, no, no, no, you know it's time to say goodbye
No, no, no, no

Solo: The times when we would play about
The way we used to scream and shout
We never dreamt you'd go your own sweet way

Look for the rainbow in every storm
Find out for certain loves gonna be there for you
You'll always be someone's baby

Goodbye my friend
(I know you're gone, you said you're gone but I can still feel you here)

It's not the end
(Gotta keep it strong, before the pain turns into fear)

So glad we made it
Time will never, never, ever change it
No, no, no, no, you know it's time to say goodbye
No, no, no, no, and don't forget you can rely

You know it's time to say goodbye (No, no no, no)
And don't forget on me you can rely, I will help, help you on your way (No, no no, no)

I will be with you everyday (No, no no, no)
I will be with you everyday (No, no no, no)
I will be with you everyday
