What makes this world go round
Will the answer let her down
She is so sweet and young
And her life has just begun

What does her future hold
That's a story left unknown
Will she make it through her days
Let our love lead the way

Part of me laughs (Ooh)
Part of me cries
Part of me wants to question why (Question why)
Why is there joy
Why is there pain
Why is there sunshine and the rain
One day you're here (One day)
Next you are gone (Next you are gone)
No matter what we must go on
Just keep the faith and
Let love lead the way
Everything will work out fine
If you let love
Love lead the way

Sitting there all alone
In the window of her room
Watching the world go by
Brings tears to her eyes

All she sees is hurt and pain
She wants to break the chain
She'll keep pressing everyday
And she'll find her own sweet way

Part of me laughs (Of me laughs)
Part of me cries (I cry)

Part of me wants to question why (Wants to question why)
Why is there joy

And still can be who you are
You gotta know for sure
That it isn't make believe
You may feel weak
But you are strong
Don't you give up, girl
If you keep holding on, you'll never be wrong
Just close your eyes
Cause it lies deep in your heart, yeah

Part of me laughs
Part of me cries (I cry)
