

# Spools - SuperStars

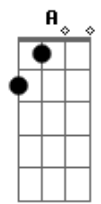

Tom: **A**

Intro: **A Gbm Bm D E**

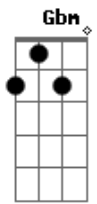

On the spotlight  
We became news for press  
We fool the stress  
We rest, above the truth.  
At midnight we are ready for the show  
Come on! it's time to go  
Just pretend it, like I do  
Cause we are superstars  
We came so far away  
How we dream a day  
On the spotlight  
All the dreams seems come true  
.  
On the spotlight  
All the dreams seems come true  
We are superstars  
We live less, and we don't care

We don't know  
We don't choose  
At the dressingrooms  
We burn the past with alcohol and cigarettes  
We drink to hide the truth  
Cause we are superstars  
We came so far away  
How we dream a day  
On the spotlight  
All the dreams seems come true (A A)  
.  
On the spotlight  
All the dreams seems come true (A A)  
Yeeeah!  
[Solo]  
Cause we are superstars  
We came so far away  
How we dream a day  
On the spotlight  
All the dreams seems come true  
On the spotlight  
All the dreams seems come true
