

Sports - You Are The Right One

```
Tom: G
Intro: G D

Am Bm Em D

Am Bm Em Am G

I was just waiting ' for you to look at me G

Is there a wrong time
Em G
Baby, I'm guessing

D Am Bm Em Just let me know
D Am Bm Em Am Just let me know

Am Bm Em Em

Well, it's been a long time
Bm

Since you've been lonely
```

```
So what will I do
  You are the right one
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  Am Bm Em D
And I'm just the boy who is looking at you
                                                                                                                                                                                                                                              Am Bm Em D
  So what will I do
    ( Am \quad Bm \quad Em \quad Am \quad G )
    ( Am )
                                                                                                                                                                                                                                                                    Bm Em
I tried the wrong way % \left( \left( 1\right) \right) =\left( 1\right) \left( \left( 1\right) \right) \left( 1\right) \left( 1\right
                                                                                                                                                                               D
  I was just guessing, biding my time
You are the only
                                                                                                                                                                                                                                                                                                                                                                                                    Am Bm Em D
                                                                                       D
One I can picture by my side
  Am Bm Em D
By my side
    ( Am Bm Em D )
    ( Am Bm Em Am )
```
