Db
When we began
          Ab
I needed a hand

I was trying not to make love
   Fm                Gb
Something I could understand
  Db
When we first met
              Ab
Was like you almost knew

If I wanted the best of everything,
Fm                Gb
I deserve a man like you
Gb G Ab
And every time I get close to the edge boy
Ab G Gb
I just can't let down, I can't pretend
Gb G Ab
I gotta let go
                Bbm   Ab
I need to get to you
Db
Free falling
Ab
I can't hear a sound
Bbm                Gb
Less fault to be found
              Db
I'm halfway down
   Ab
I'm falling
            Bbm
Weighless, Unbound
Ab              Gb
I'm close to the ground
```

```
