A E D A (2x)

They say it's me

That makes you do things

You might not have done

If I was away

And that's it's me

That likes to talk to you

And watches you

As you walk away

Don't say it's useless

Don't say forget it

Don't bring me wishes

Of silly dreams

Just say it's all

>From too much freedom

Too many fingers

And to anything

They say it's you

That washes the weary

And brings the night into the day

If you won't notice

How can I show you

All of your worries

Have all gone away

Don't leave me lonely

Don't leave me unhappy

Just bring me up into your fate

If you don't need me

Then don't deceive me

Letting my freedom turn into stone

A E D A (2x)

Just be my angel

If you love me

Be my angel

In the night

Be my angel

Cause you need me

Be my angel

And treat me right

Don't say you love me

If you don't need me

Don't send me roses

On your behalf

Just take me down

And walk through your river

Down the middle

And make it last

Holding on to you

Holding on to me

Holding on tight

Til my love is crossed

Don't say it's useless

And don't say forget it

You are my spirit

Now you are gone
