

# Stars - Calendar Girl

Tom: C

If I am lost for a day, try to find me  
 But if I don't come back, then I won't look behind me  
 All of the things that I thought were so easy  
 Just got harder and harder each day

December is darkest, in June there's the light  
 But this empty bedroom won't make anything right  
 Well out on the landing a friend I forgot to send home  
 Who waits up for me all through the night

Calendar girl who's in love with the world, stay alive  
 Calendar girl who's in love with the world, stay alive

I dreamed I was dying as I so often do  
 And when I awoke, I was sure it was true  
 I went to the window, threw my head to the sky

And said; whoever is up there, please don't let me die  
 Well I can't live forever, I can't always be  
 One day I'll be sad (?) on a beach by the sea  
 The pages keep turning, I mark each daaaaay with a cross  
 And I'll laugh about all that we've lost

Calendar girl who's is lost to the world, stay alive  
 Calendar girl who's is lost to the world, stay alive

January, February, March and in May, I'm alive  
 June, July, August, September, October, I'm alive  
 November, December, Yeah all through the winter  
 I'm alive  
 I'm alive
