

# Starset - Starlight

Tom: **Bb**

Intro: **Gm**

**Eb**  
 Stardust  
 In you and in me  
**Gm**  
 Fuse us  
 Into unity  
**Eb**  
 Primeval  
 We're coupled  
**Bb** **F**  
 Born from the universe  
**Eb**  
 Farewell  
 The void is calling  
**Gm**  
 Don't fear  
 For futures and dreams  
**Eb**  
 They're fleeting, retreating  
**Bb**  
 It's ok  
**F**  
 I promise  
  
**Gm**  
 I don't know what to say  
**Gm** **Bb**  
 But I'm going to want you till the stars evaporate  
**Gm**  
 We're only here for just a moment in the light  
**Bb**  
 One day it shines for us the next we're in the night  
**Eb** **Gm**  
 So say the word and I'll be running back to find you  
**Eb** **Gm**  
 A thousand armies won't stop me I'll break through  
**Eb** **Gm**  
 I'll soar the endless skies for only one sight  
**D**  
 Of your starlight  
  
 ( **Gm** )  
  
**Eb**  
 Tell me  
 Just tell me to stay  
**Gm**  
 I'll turn  
 I won't look away  
**Eb**  
 I'll stay here  
**Bb** **F**  
 I'll never go but you don't feel the same  
**Eb**  
 Farewell

Farewell and godspeed  
**Gm**  
 Light years  
 Between you and me  
**Eb**  
 I'm fading  
**Eb** **F**  
 Your beauty conquers the darkness  
  
**Gm**  
 At night the earth will rise  
**Bb**  
 And I'll think of you each time I watch from distant skies  
**Gm**  
 Whenever stars go down and galaxies ignite  
**Bb**  
 I'll think of you each time they wash me in their light  
**Eb**  
 And I'll fall in love with you again  
**Gm**  
 I will find you  
**Eb** **Gm**  
 A thousand armies won't stop me I'll break through  
**Eb** **Gm**  
 I'll soar the endless skies for only one sight  
**D** **Dm**  
 of your starlight  
  
 ( **Gm** )  
 ( **Eb** **Cm** **D** **D** )  
  
**Gm**  
 Don't leave me lost here forever  
**Eb**  
 Show me your starlight and pull me through  
**Gm** **D**  
 Don't leave me lost here forever  
**Eb** **F**  
 I need your starlight and pull me through  
 Bring me back to you  
  
**Gm**  
 At night the earth will rise  
**Bb**  
 And I'll think of you each time I watch from distant skies  
**Gm**  
 Whenever stars go down and galaxies ignite  
**Bb**  
 I'll think of you each time they wash me in their light  
**Eb**  
 And I'll fall in love with you again  
**Gm**  
 I will find you  
**Eb** **Gm**  
 A thousand armies won't stop me I'll break through  
**Eb** **Gm**  
 I'll soar the endless skies for only one sight  
**D**  
 Of your starlight

## Acordes
