```
        A                    Dbm7
I would give you the stars in the sky
                         B
But they're too far away
A                   Dbm7
If you were a hooker, you'd know
                  B
I'd be happy to pay
A            Dbm7
If suddenly you were a guy
               B
I'd be suddenly gay

        E     A     B
'Cause my heart belongs to you
 E      A     B
My love is pure and true
 E      A     B
My heart belongs to you
      A (Risca o acorde)
But my cock is community property

        A                    Dbm7
You're the only girl that I like to screw
                 B
When I'm not on the road
A               Dbm7
When I come home, my dinner's made
                    B
And the front lawn is mowed
A
I'll kiss your mouth
   Dbm7                B
Even after you swallow my load
```

```
        E      A      B
'Cause my heart belongs to you
            E        A         B
There ain't nothing that I wouldn't do, for you
    E      A     B
My heart belongs to you
      A (Risca o acorde)       B Dbm7
But my cock is community property

B      Dbm7    A
I wanna make it clear
A
So you retain it
B        Dbm7    A
My dick's a free spirit
A (Segura no acorde de A até entrar o solo)
And you can't restrain it
A
No, you just can't chain it down

Solo: B Dbm7 A (4x)
(Quando eu terminar de tirar o solo, eu coloco aqui).

(Arpejo 1)
I love you so much it hurts
From my head to my feet
(Arpejo 1)
I think of you and I can't
Help but fondle my meat
(Arpejo 2)
I see your face every time
That I go out and cheat
        E      A      B
'Cause my heart belongs to you
            E       A         B
There ain't nothing that I wouldn't do
    E      A      B
My heart belongs to you
       E       A         B
But my dong is community property
                   E     A      B
Yeah, yeah, yeah, nah, nah, nah...
                      E     A         B
Community property, oh nah, nah, nah...
                      E     A           B
Community property, oh uh oh oh oh oh oooh
                   E   A   B
Community property,   eeeeei
