Just consider it money well spent

So just go tell your dumb landlord
That you love me
You really really love me

B E B
If I have sex with your friend Melanie
B
Don't act like it's some kind of felony

It's not uncommon for this kind of infidelity
It happens to a lot of guys like Tiger Woods and me
Just be happy that I'm hung like a horse
And you get to ride the pony of course
'Cause I'm really really really really really really
Really really fond of you too

Refrão 2 (mesma progressão refrão 1):

When you think it's really suckie girl
All your friends will say 'you lucky girl'
You got a man who's hot you say
All the girls wanna be with me
'Cause they love me
They really really love me
Yes they do
