

Steel Panther - The Stocking Song

Tom: **D**

D D A

D

So you say you like candy canes

G

All the ladies do

Bm

Candy canes were meant for sucking

G

So don't you think about trying to chew

D

How about a little eggnog

G

I got a homemade recipe

Bm

You're gonna get love-drunk on my eggnog

G

Even though it's alcohol-free

D

I'm gonna stuff your stocking this year

Gonna fill it up nice and tight

Gonna feel so good when I slide my gifts into it tonight

I'm gonna stuff your stocking this year

Gonna fill it up with all I got

Nick nacks and candies gonna hit your stocking G-spot

D D A

D

I know you like your toys, girl

G

I got toys to fulfill your needs

Bm

The kind that only use double **D** batteries

G

And run at variable speeds

D

Gonna stuff it with an iPhone

G

All I ask is some tit for tat

Bm

If you could memorize the Kama Sutra

Heck, they probably make an app for that! Baby

D

I'm gonna stuff your stocking this year

Gonna fill it to the tippy top

Gonna take it all out then stuff it back in...

Take it all out... stuff it back in

A

You're never gonna want me to stop

D

I'm gonna stuff your stocking this year

With holiday love and romance

Bm

I just hope that Santa doesn't stuff it before I get the chance

Acordes
