

Steely Dan - Do it again

tom: G

Em
In the mornin' you go gunnin'
Em
For the man who stole your water
Em
And you fire till he's done in
Em
But they catch you at the border
Em
And the mourners are all singin'
Em
As they drag you by your feet
Em
But the hangman isn't hangin'
Em
So they put you on the street

Am7 Bm7 Bm Bm7 Em
You go back, Jack, do it again
Bm7 Em
Wheels turnin' 'round and round
Am7 Bm7 Bm Bm7 Em Bm7
You go back, Jack, do it again

Em
When you know she's no high climber
Em
Then you find your only friend

Em
In a room with your two timer
Em
And you're sure you're near the end
Em
Then you love a little wild one
Em
And she brings you only sorrow
Em
All the time you know she's smilin'
Em
You'll be on your knees tomorrow, yeah

Em
Now you swear and kick and beg us
Em
That you're not a gamblin' man
Em
Then you find you're back in vegas
Em
With a handle in your hand
Em
Your black cards can make you money
Em
So you hide them when you're able
Em
In the land of milk and honey
Em
You must put them on the table
