

Stefano Mota - Samba de Verão

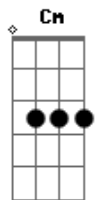

tom:
 Você viu só que amor nunca vi coisa assim
 E passou, nem parou mas olhou só pra mim
 Se voltar vou atrás vou pedir, vou falar
 Vou dizer que o amor foi feitinho pra dar

Olha... é como o verão
 Quente o coração
 Salta de repente
 Para ver a menina que vem

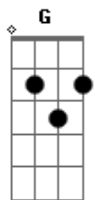

Ela vem sempre tem esse mar no olhar
 E vai ver, tem que ser nunca tem quem amar
 Hoje sim diz que sim já cansei de esperar
 Nem parei nem dormi só pensando em me dar

Peço, mas você não vem bem
 Deixo então
 Falo só
 Digo ao céu
 Mas você
 Vem
