

Steffany Gretzinger - More To Me

tom:

It's Your company I long to keep
 Your presence here, the dearest thing
 Though I am awed by all I've seen
 I'm longing for Your glory
 Would you reveal Your glory

All of the others, they don't matter
 You are everything
 All of the others, they come after
 You mean more to me

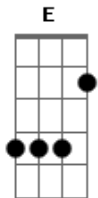

You mean more to me

(Gbm E D)
 (Gbm E D)

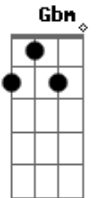

It's Your company I long to keep
 Your presence here, the sweetest thing
 Though I am awed by all I've seen
 I'm longing for Your Glory
 Would you reveal Your Glory

Let me set a table for One that I love
 This is my desire
 All I have is ready to fulfill Your longing
 What do You desire
