

Stênio Március - Natal

tom:

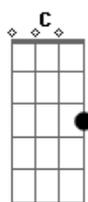

Nesse cantinho de palhas juntadas
 Dorme Jesus sua noite primeira
 Na Terra quase ninguém se deu conta
 Mas debruçados nos céus anjos louvam
 Ah, que mistério de graça inaudito
 Ah, que portento de amor revelado
 Jamais se viu tão sublime momento

Dm Dm Bm E7
 É o próprio Deus que se vê no menino

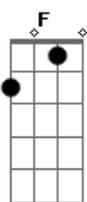

F G C E7
 Natal, Natal
 F A C G
 Cristo pisando meu chão miserável
 C F Cadd9
 Fazendo a minha paz

F G C E7

 F A C G
 Cristo habitando em telhados de barro
 C F Fm Cadd9
 Para levar-me ao céu
