

Stênio Március - Riqueza

tom:

C

Oh! Profundidade da riqueza
 Tanto da sabedoria
 Quanto do conhecimento de Deus

Seus juízos são tão insondáveis
 Quão desconhecidos são
 Os caminhos que ele já traçou

Quem pois conheceu a mente do senhor?

Quem foi o seu conselheiro?

Quem a Ele deu primeiro

Para ser restituído?

Pois dele, por meio dele e para ele

São todas as coisas!

São todas as coisas!

A Ele pois a glória eternamente

Amém!

(D)

Pois dele, por meio dele e para ele

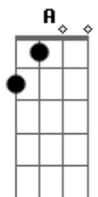

São todas as coisas!

São todas as coisas!

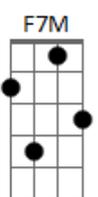

A Ele pois a glória eternamente

Amém!
