

Stephanie Mabey - I Know You Out There

Tom: B

m (com acordes na forma de Am)

Capostrate na 2ª casa

Dm **Am**
I take my notebook and tear the pages out

C **G**
To write down my thoughts in a message

Dm **Am** **C G**
I encrypt every line

Dm **Am**
As the people pass on the street below

C **G**
I smooth out and fold up the edges

Dm **Am** **C G**
Then hold them up against the sky

D **A**
And I let 'em go

E
Hope you'll find each word I wrote

F
On these paper planes scattered in the air

C **G** **Am**
Oh, I send them off 'cause I know you're out there

Dm **Am**
I picture you discovering

C **G**
Each note all the others step over

Dm **Am** **C G**
'Cause you're the kind who finds the clues

Dm **Am**
You'll know every one was meant for you

C **G**
'Cause you've got the secret decoder

Dm **Am** **C G**
They'll lead you to me soon

D **A**
So I let 'em go

E
Hope you'll find each word I wrote

F
On these paper planes scattered in the air

C **G** **Am**
Oh, I send them off 'cause I know you're out there

Dm **Am**
I know you'll see

C **G**
The heart beneath

G
Each line you read

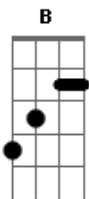

D **A**
So I let 'em go

E
Hope you'll find each word I wrote

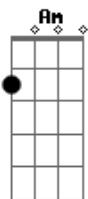

F
On these paper planes scattered in the air

C **G** **Am**
Oh, I send them off 'cause I know you're out there
