

# Stephen Dawes - Teenage Dream

Capostrate na 3ª casa

You think I'm pretty without any makeup on  
You think I'm funny when I tell the punchline wrong  
I know you get me  
So I let my walls come down, yeah come down

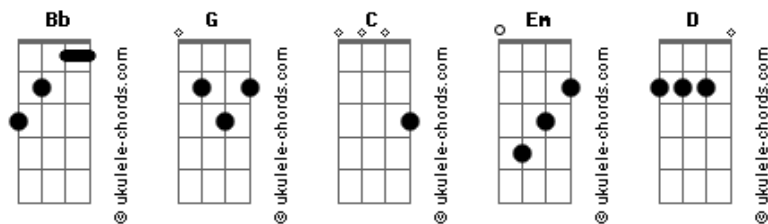

Before you met me  
Yeah, I was alright, but things were kinda heavy  
You brought me to life, now every February  
Yeah, you'll be my Valentine, valentine

So let's go all the way tonight  
No regrets, just love  
Yeah we can dance until we die  
You and I will be young forever

'Cause you make me  
Feel like I'm livin' a teenage dream  
The way you turn me on, I can't sleep  
Let's run away and don't ever look back

Ever look back, oh  
My heart stops when you look at me  
Just one touch, now baby, I believe

## Acordes

This is real  
So take a chance and don't ever look back  
Ever look back, oh  
We drove to Cali and got drunk on the beach  
Got a motel and built a fort out of sheets  
I finally found you, my missing puzzle piece  
I'm complete

And Imma get your heart racing in my skin-tight jeans  
Be your teenage dream tonight  
Let you put your hands on me, in my skin-tight jeans  
Be your teenage dream tonight

Oh, 'cause you make me  
Feel like I'm livin' a teenage dream  
The way you turn me on, I can't sleep  
Let's run away and don't ever look back

Ever look back, oh  
My heart stops when you look at me  
Just one touch, now baby, I believe  
This is real  
So take a chance and don't ever look back  
Ever look back, oh
