# Stephen Lynch - Gay

Tom: D
Intro: D  D2  D  Em

```
D         D  D  Bm      D
Here we are, dear old friend.
Bm      Bm   G    A
You and I, drunk again.
D              D   D  Bm          D
Laughs have been had and tears have been shed.
Bm          Bm      G          A
Maybe the whiskey's gone to my head.

     D          A          Bm          G
But if I were gay, I would give you my heart.
     D          A          Bm          G
And if I were gay, you'd be my work of art.
     D          A          Bm       G
And if I were gay, we would swim in romance.
A              G              A
But I'm not gay, so get your hand out of my pants.
```

( D  D2  D  Em ) (2x)

```
     D         D     D  Bm       D
It's not that I don't care, I do.
  Bm         Bm      G   A
I just don't see myself in you.
```

## Acordes

```
    D         D  D  Bm     D
Another time, another scene.
        Bm          Bm           G           A
I'd be right behind you, if you know what I mean.

        D          A          Bm          G
Cause if I were gay, I would give you my soul.
        D          A          Bm          G
And if I were gay, I would give you my whole being.
        D          A          Bm          G
And if I were gay, we would tear down the walls.
A              G              A
But I'm not gay, so won't you stop cupping my hand.
```

( D  D2  D  Em ) (4x)

```
        D      D2         D     Em
We've never hugged; we've never kissed.
        D          D2    D      Em
I've never been intimate with your fist.
        D          D2    D      Em
But you have opened brand new doors.
        D    D2     D     Em     D   D2    Em     D
Get over here and drop your drawers.
