Em D (4 times)

Em D
Please sit down and listen
Em D
Do not say a thing
Em D
In matters of the heart
Em D
Sometimes the truth will have a sting
Em D
Do not take this personally
Em D
This is no attack
Em D
But we will never work because
Em D
I'm white and you are also white

Chorus

G C D
I only like black girls, and brown girls, the cafe au lait
G C D
Caramel girls and mocha girls just blow me away
C D
If you're a nubian I want you to be in every fantasy
C D
But if you're a whitey say nighty-nighty 'cause you're not the
girl for me

Em D
I don't like vanilla ice cream
Em D
I like chocolate instead
Em D
I hope she likes her soul food
Em D
With a little wonder bread
Em D
Don't call it jungle fever
Em D
'Cause that just isn't right
Em D
I am not a racist

Em D
Some of my best friends are white
G C D
I just prefer black girls, and brown girls, the cafe au lait
G C D
Caramel girls and mocha girls just blow me away
C D
If you're a cracker you better get blacker or else you best
get out

It is no mystery I like a sister see that's what I'm talking
about

Em D
Our wedding song will be
Em D
Ebony and Ivory
Em D
And we'll sing christmas carols
Em D
'Round the old Kwanzaa tree
Em D
But color is not the issue here
Em D
It's dignity, it's class
Em D
It's all about her heart
(No chords)
Well, its partly about that ass

G C D
Gimme some black girls, and brown girls, the cafe au lait
G C D
Caramel girls and mocha girls just blow me away

the fountain of youth
