Of a Coca-Cola middle man

To "Brothers In Arms"

At least in her dog's mind

A

Let me out of here

Let me out of here

You got to let me out of here

You got to let me out of here

Let me out of here

Out of here

Out of here, out of here

Let me out of here ill hit the ground running

D **Db** **B** **A** **G** **Gbm**
Jennifer left for school up in Boulder
Em **A**

And the Ess-dog came to visit when he could

D **Db** **B**
But the strain was too much
A **G** **Gbm**

They could not make up for distance

Em **A**
And the distance between their years

G **D**
Neither one listens
G **D**

To "Brothers In Arms"

G **D**
The Ess-dog waits tables
G **D**

And he sold his guitar

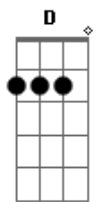

Em **G**
Jenny pledged Kappa and she started pre-law

And off came those awful toe rings

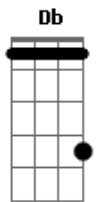

And off came those awful toe rings

Off came those awful toe rings
