Baby, give it all
I'd give it all just to make you mine
And if you need a minute
Honey, I'll give you all my time, all the time
Do you need the Sandman
Or a phone call to Mr. Jones? Oh
I'll put your dreams to sleep
With rattling bones

F G
So, don't go to sleep, don't rest your head
I'll be the pillow, and I'll be the bed
Holding your dreams as you lie to rest
